FUEL WITHOUT FEAR

I am here to care...

Mr. CAN...

**How to Fuel Cashless,
Contactless, Convenient
through OLEUM**

Step 1

Register A Vehicle

By registering a Vehicle By a User to Oleum's Mr. CAN, fueling at any fuel station attached with Oleum is made simple. The vehicle registration required the mobile number to which all the communications will be shared.

1. E- receipts
2. Mileage of Vehicle
3. Fuel expenses records

Step 2

Buy Fuel

A user can easily purchase the required quantity of fuel by paying through any convenient online payments. Once the payment is effected system will add the credit to the fuel CAN (Mr. CAN) and add a rupee equivalent fuel points. These fuel points can be applied to dispense the desired quantity of fuel from the respective fuel station

Step 3

FUEL

Dispense Fuel

A user can easily dispense the fuel from the station which they possess the fuel points. A user can download the app and generate a dispense request in the form of a QR code and show the same to the Oleum's Mr. CAN in the fuel station

The user also can dispense the fuel by allowing Mr. CAN in the station to search for available fuel points in the fuel station

Step 4

Get E-receipts

A user will receive an SMS with the links for viewing/downloading* the e-receipts for all fueling carried out. The same can be accessed through the Mobile App by the user

*Downloading available for PRO-users only

Step 5

Download APP

A user can download the APP from Play Store or App store and perform multiple actions. User can avail promotions displayed in the app and get free fuel points as rewards

Unique Features:

1. Mileage informations
2. Transfer of fuel to near & dear ones
3. Fuel station ratings
4. Rewards & Promotions
